

Discover Modul University Vienna

International Private University

Modul University Vienna is an international private university based in the world's most liveable city, with all programs taught in English. Modul has been acknowledged for over 100 years of industry leading education, and since 2007 it has offered an organization for research and higher education in tourism, sustainable development, new media technology, public governance, business and management programs.

Our campus

Nestled atop the picturesque Kahlenberg hill in Vienna's 19th district, our university campus seamlessly combines academic excellence with recreational opportunities. Each day, our students enjoy the stunning panoramic view of Vienna and the surrounding vineyards.

Our students get access to modern classrooms, project rooms, student areas, library, a cafeteria with open terrace, coffee stations, a restaurant and other touristic amenities. In the vicinity of our campus, students can engage in various leisure pursuits, from admiring the old church's architecture and sampling local cuisine at nearby bistros or restaurants, to unwinding in vineyards or enjoying outdoor activities at the adventure park, public pool, or numerous hiking trails.

THE MU EXPERIENCE

The Student Experience is the Core of MU

Strong Focus on Integration and Employability

Modul University Vienna is an inclusive, tight-knit, international community in the heart of Europe, making it easy to explore Austria and other interesting European destinations.

We facilitate personalized social and professional experiences for our students through the Student Service Center, offer academic guidance through the Academic Office, and support our students to integrate through The Inclusion and Diversity Committee.

All our students benefit from Career and Internship guidance through our bi-annual Career Fairs and Workshops, and the support of the Internships Coordinator.

Students can also engage in more than 20 Student Clubs, a great way to get involved in the Modul University community and connect with fellow students.

An International Experience Beyond MU

2 degrees in 4 years in Vienna and Hong Kong

Our BBA in Tourism and Hospitality Management offers the option to complete 2 degrees in 4 years in cooperation with **The School of Tourism Management** at the **Hong Kong Polytechnic University**.

3 years in Vienna and 1 year in New York

Our BBA in Tourism, Hotel Management and Operations includes the opportunity to complete one year of studies in New York at the **New York City College of Technology**.

Sustainability and Entrepreneurship

Sustainability represents an integral part of our curriculum and research agenda, and is also reflected in the daily work flow on campus.

Entrepreneurship is encouraged in all our programs and activities. Students are supported in testing their business ideas through our Yearly Accelerator Program and applied projects.

Exchange Semester

Our university offers all students the option of studying for one semester abroad.

Our network of partner universities extends over Europe, Asia, USA, Central and South America.

ACADEMIC EXCELLENCE

Global Recognition

Accreditations

Modul University is fully accredited by the **Agency for Quality Assurance and Accreditation Austria**, the official body of the Austrian Federal Ministry of Education, Science and Research.

MU's tourism related programs are also **TedQual certified** by UN Tourism (formerly United Nations World Tourism Organization). Our MSc International Tourism Management is the only MSc in Austria with the TedQual recognition.

Admission Requirements

Our holistic admission approach requires students to submit documents via our online portal and participate in an online interview in English. We accept students from across the world with various education backgrounds. Candidates who do not meet the standard entry requirements may still apply and be offered a 1-semester Foundation Program.
